RELIEF AND HEALTH TO YOUR INFANTS. We have put up and sold this article for over

We have put up and sold this article for ever ten years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine—never has it failed, in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delight-ed with its operations, and speak in terms of con-mendation of its magical effects and medical virtumendation of its magical effects and medical virtuafter ten years' experience, and pledge our reput-ation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup

This valuable preparation is the prescription of one of the most experienced and skillful Nurses in New England, and has been used with never failing success in THOUSANDS OF CASES. It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole syst-

em. It will almost instantly relieve Griping in the Bowels, and Wind Colic and overcome convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of dysentery and Diarrhosa in children, whether it arises from teething, or from any other cause. We would sny to every mother who has a child suffering from any to every mother who has a change and for any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between you and your suffering child, and the relief that is sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full direct tions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERK-INS, New-York, is on the outside wrapper. Sold by Druggists throughout the world. PINE COMPOUND. WHITE PREPARED BY DR. J. W. POLAND & CO., Goffstown Centre, N. H.

The following testimonials will tell something about a Medicine that is now becoming popular faster than any other article sold by druggists: Rev. J. K. Chase of Rumney N. H., under date of April 4, 1860, says: "When your favor, (two bottles of White Pine Compound) was received, I was suffering from a most severe cold. I took the Compound, and was able to preach in two days. · · I believe the Compound is an invaluable medicine. I do wish thousands who know nothing of its virtues, would become better acquainted with

Rev. L. C. Stevens, Paster of the Baptist Church at Goffstown Centre, in a letter dated Feb. 1860 says: "Some of my family have tried it, (the Compound) with signal snocess. I believe it to be one of the best Cough Rem dies ever prepared. Bosides its value as a Cough medicine, I have good ireason to believe it to be all it claims to be for Kidney Diseases and Diabetes.

Mr. Asa Goodhue, of Bow, N. H., was so prestrated by Diabetes, in March, 1850, that neither himself nor any who saw him, thought that he could possibly live through the month. As a last resort, he thought he would try the White Pine Compound. They precured a bottle for him; he began to take it, and to the surprise of all, imme-diately showed signs of amendment. Eleven months afterward (Feb. 23, 1860), in a full statement of

his case, he says. "I believe Dr. Polane's White Pine Compound, under God, has been the means of my recovery thus far."

Hundreds of cases of Kidney complaints, conta-serment by taking the White Pine Compound. have been reported by druggists. Here are two An aged man in Danvers, Mass., heard of the

compound, as a wonderful curative for kidney complaints. Reing a great sufferer from that diffi-ulty, he sent to the Apothecary for two bottles. They could him. He said they were worth 50 ollars. He has since sold a good many bottles The second case was that of a business man in Salem, Mass. He was also cured of the same comlaint. Afterwards he went to Minnesota. The great fatigue of his journey brought on a return of

his former difficulty, and socking in vain in Mine-sota for the Compound, he was compelled to send all the way to Salem to have it forwarded by Exand fashierable figures on them; newardems for ornamenting your house and your band July, 1855. - Dr. Polland: - Mr. J.C. Butter field, Jr. who sells your Medicino, has requested me to give a brief statement of what your What Pose Compound has done for me. I had been af-flieted with the Kidney Complaint for a long time and had a bad Cough of ten years' standing, which caused me to spit blood quits frequently. No one of my acquaintances expected that I should ever get my health again. But nes bottles of your White Pine Compound have cored me of both the Cough and the Kidney Complaint. I would also state, that a lady, a neighbor of ours, was so badly afflicted with a cough, that she sat up only long enough to have her bed made, and She took only one bottle of your Compa

and it cured her. She is just as well now as she ever was. STEPHEN BARTLETT, "DR. POLAND:-I wish to hear my testimony to the value of your White Pine Compound. You will remember how feeble I was at the time I call ed upon you, in July last. Ny chief complaint was inflammation of the kidneys. In addition to other disagreeable symptoms, I suffered dreadfully from severe pain. You sold mea bottle of the White Piac Compound, and before I had taken the White Piac Compound, and before I had taken the state of the contents of the con two-thirds of the contents of that one bottle, my pain hadall leftme. Though I had been afflicted with that complaint a long time, I have not a return of it since, and have for many months past enjoyed excellent health.
